SRE Expert Panel Recommendations.....

- To make the Sexuality and Relationships Education (SRE) a statutory part of the new curriculum for all schools (age 3-16)
- The Health and Wellbeing AoLE should have an equal status to other AoLEs
- SRE element of the Health and Wellbeing AoLE can be embedded in a 'whole school approach'.
- All schools should have a specialist trained SRE lead with access to resources and guidance to co-ordinate a rights and gender-equity based curriculum.
- Each Local Authority, working with Consortia, should have a dedicated SRE lead to provide external support, co-ordinate CPD and ensure consistency and quality
